*"Your Best Choice
For Reliable
Performance—
And They're Even
Eco-Friendly!"*

- **Versatile...** Can be used in all asphaltic (hot or cold) and single ply roofing systems
- **Helps To Prevent Roof Problems...** Aids in good roof drainage and slope to prevent damaging ponding water
- **Reliable Performance...** Dimensionally stable and more durable than perlite products
- **Environmentally Friendly...** 100% reclaimed/recycled material content; may contribute to LEED credits for your projects
- **Perfect For Transitions...** Good for transitioning from roof level to the nailer or transitioning from tapered insulations to the roof level to help promote positive drainage
- **Great For Corners...** Smooths out the 90° angle created where the roof surface meets a perpendicular wall or parapet
- **Trims Easily...** Can be cut with a standard utility knife

Tapered
Edge

Cant Strip & Tapered Edge

"Your Best Choice For Reliable Performance!"

Description

Roof fiberboard manufactured to a uniform density using cellulosic wood fibers with additives to improve moisture resistance. Product is surface treated to promote adherence of the roofing membrane and reduce adhesive or bitumen strike-in.

Application

Note: Do not apply flame directly to product. Always follow membrane manufacturer's instructions.

When Used In Re-Roofing Applications: Before applying, existing roof surface must be cleaned of all gravel and other debris. Surface irregularities must be smooth. Deck must be kept dry throughout application.

No-Smell™ Asphalt

Virtually eliminates objectionable asphalt odors during the installation—so complaints from occupants and the neighbors disappear.

Fiberboard

Your best choice for reliable performance in asphaltic or single ply roofing systems. It's even environmentally-friendly!

Underlayments

Top quality synthetic and asphaltic underlayments at prices you can afford—and with quality that you can rely on every day.

Fasteners

Superior value has made us one of the largest and fastest-growing fastener suppliers in North America—for more than half a century!

Application Tools

Ultra-high purity, 100% cotton mops deliver long-lasting performance and the perfect balance between cost and service life.
